## **QUALITY PRODUCTS • DEPENDABLE SERVICE**

**K-Chem, Inc.** is devoted to understanding our customers' needs. In our search to satisfy our customers' needs, we have obtained the finest quality products that can be created with modern chemistry. Our objective at **K-Chem Inc.** is to earn your confidence and satisfaction with the right solution and product for your needs, with the service you respect and deserve. We stand ready to assist you, and we are as close as your telephone. We look forward to the opportunity to serve you.

*Karen A. Halpern*

## DEGREASERS

### ALUMINUM BRIGHTENER

#### Acid Aluminum Restorer

Slash through diesel smoke, grease, oil, grime and white rust in one minute. Rinse thoroughly, immediately and save money, time and labor. In bulk only.

### EAT-CRETE

#### Concrete, Cement, and Lime Remover

This is a high foaming complex blend of special surfactants, hydrochloric acid, acid builders, and corrosion inhibitors to remove cement and etch the surface of concrete. In bulk.

### HEAVY DUTY INDUSTRIAL FOAM CLEANER

#### Office Mark and Stain Remover

Designed to remove marks caused by ball point pens, crayons, spray paint, magic markers, ribbon ink, lipstick, grease and many other stains from office equipment, calculators, typewriters, furniture, desk tops, walls, doors, etc. Quick as a "Wink." In aerosol only.

### INDUSTRIAL KLEANER RTU

#### Fast Acting Aggressive Cleaner/Degreaser

Formulated to penetrate and breakup oil, grease and other tough soils. Butyl based, alkaline, and pleasantly fragranced. It is ready-to-use and can be used in toughest cleaning situations. Can be used by spraying, wiping, or moping. Available in quarts and gallons.

### K-CHEM 500

#### Biodegradable Oil Dispersant Cleaner/Degreaser, Scoots Oil

Concentrated, heavy duty, all-purpose cleaner and degreaser. Powerful cleaning action rapidly removes dirt, grease, grime, wax, gum, ink, carbon, oil, lipstick from wide variety of surfaces. Can be used as floor cleaner, engine degreaser, cleans machinery, walls. Can be used by hand, through steam or pressure washers, and automatic scrubbers. Makes a great vehicle wash, safe on rubber. Versatile dilutions. In bulk and totes.

### K-CHEM 500 PLUS

#### Biodegradable Oil Dispersant Cleaner/Degreaser, With Splitting Capability For Oil/Water Separator Systems

Concentrated, heavy duty, all-purpose cleaner and degreaser. Powerful cleaning action rapidly removes dirt, grease, grime, wax, gum, ink, carbon, oil, lipstick from wide variety of surfaces. Can be used as floor cleaner, engine degreaser, cleans machinery, walls. Can be used by hand, through steam or pressure washers, and automatic scrubbers. Makes a great vehicle wash, safe on rubber. Versatile dilutions. In bulk and totes. NSNs 6850-01-506-9967, 6850-01-506-9970, 6850-01-506-9974.

### K-CHEM EQUIPMENT WASH

#### Heavy Duty Concentrated Degreaser Steam cleaner

This is specially formulated to be safe on the user and not have a fall out that could burn the skin. And yet it is excellent at removing burnt-on oils, grease and carbon from metal surfaces, equipment and concrete. Biodegradable, easy to use even on the toughest of jobs. In bulk and totes.

### K-CHEM EXCELL

#### Heavy Duty Concentrated Degreaser Steam Cleaner

Removes burnt-on oils, grease and carbon from metal surfaces, equipment and concrete. Biodegradable, easy to use even on the toughest of jobs. In bulk and totes.

### LIMEAWAY

#### Extremely Strong Acid Descaler

Powerful descaler for removing heavy build-up of limestone, concrete and mineral deposits. In bulk.

### POWER FOAM

#### Foaming Heavy Duty Cleaner and Degreaser

Viscous foaming cleaner degreaser, gives good spread over surface. Cleans without choking or burning. Pleasant odor. Safe on glass, aluminum and plastic. Removes oil, grease and dirt. To be used on walls, glass, metal, concrete, plastic, vinyl, washable painted surfaces, white wall tires, vent hood and grills, aircraft, printing presses, equipment machinery. In bulk and quarts.

### RUST INHIBITOR

#### Metal Etcher and Rust Remover

Mop, dip or brush this fabulous product on metal to remove rust, degrease and keep rust-free up to 90 days. No need to rinse. Use RustTreat to prepare metal for painting without primer. In bulk only.

### SPECIAL FORMULA DEGREASER

#### Biodegrades Out Oil Spills, Has Microorganisms

A safe, highly concentrated cleaner that quickly cuts through both oil and grease without abrasives or grit that scratch surfaces. Emulsifies and suspends materials such as petroleum, animal oils and organic oils. Solid material can be flushed with water. Acceptable for disposal down drains, biodegrades out oil spills. In bulk only.

### SPRAY 'N AWAY

#### All-Purpose Cleaner and Degreaser

Fast-acting spot cleaner for 1001 uses. Thickened formula clings to overhead and vertical surfaces. Lifts and sweats soil from surface allowing visibility of the cleaned surface before wiping even occurs. Safe for any washable surface. USDA rated C-1. Non-butyl formula.

### SUPERXXX

#### Caustic Steam Cleaner and Extremely Powerful Degreaser And Stripper

Dissolves and strips months of the most impossible to remove burnt-on oils and grease from equipment easily. Has corrosion inhibitors to prevent ferrous metals from rusting. In bulk only.

## SOLVENTS

### AIR DUSTER

#### Metal Parts Chiller and Component Checker

A quick, easy method for chilling small parts, bearings, bushings, swollen pipe joints. Makes assembly of tight-fitting parts easier. Also chills electronic components and controls for checking. In aerosol only.

### COIL CLEANING FOAM

#### Clinging Foam Completely Self-Rinsing on Condensate Producing Coils

Heavy duty foam coil cleaner for window units, roof top HVAC units, auto radiator, metal filters, fan blades and more. Liquifies dirt, grease, oil and other deposits. Has corrosion inhibitors and safe on drain pans and plastics. Lemon fragrance. In aerosol.

### COIL CLEANING SOLVENT

#### Maximum Cleaning with Blast Spray

Quickly liquifies dirt, grease, oil and undesirable materials. Evaporates quickly, nonflammable, nonconductive, safe on live equipment. Pleasant lemon fragrance. In aerosol.

### ELECTRON

#### Non-chlorinated High Dielectric Solvent

The environmentally-preferred dielectric solvent. An exceptional solvent degreaser formulated without chlorinated solvents or other hazardous ingredients. Has a high dielectric strength, safe to use on all electrical apparatus. High flash point. Has National Stock Numbers and is the non-chlorinated replacement for Trichlor 1,1,1. In bulk and aerosol.

### FAST SOLVENT DEGREASER

#### Special Dual Action Valve for Mist and Blast Sprays

Fast dry, non-flammable, non-conductive, 29,000 volt dielectric, non-ozone depleting, low odor, leaves no residue. Cleans electric motors, power equipment, printing press, conveyors. Aerosol and bulk.

### GREASEATER

#### Parts Washer, Non-Flammable, High Flash Solvent, High Grease Cutter

This high flash, above 143°F, solvent combined with grease and oil emulsifiers penetrates and removes crusted oil and grease deposits. It has been hydrotreated, which removes the sulfur content of the solvent. It meets California indoor air quality specifications. Available in bulk.

### K-CHEM 2000 SAFETY SOLVENT

#### Fast-Dry, Non-Chlorinated, High Solvency, No Residue, Non-Ozone-Depleting, Safe on Many Plastics, High Dielectric

Powerful degreasing with fast evaporation. Non-flammable, non-conductive, low odor, has dual action valve system, allowing both misting spray and a 10' blast spray. Can be used on relays, switches, microchips, etc., and on electric motors, machinery, power equipment and much more. Meets MIL-T-81553A, MIL-C-2880, MIL-STD-2000 and NASA NHB 5300,4(3A-7). Available in aerosol.

### K-CHEM 2004 SAFETY SOLVENT

#### Fast-Dry, Non-Chlorinated, High Solvency, No Residue, Non-Ozone-Depleting, Safe on Many Plastics, High Dielectric

This nonchlorinated, nonflammable, nonconductive blend may be used to clean and degrease a wide variety of equipment. The low odor formulation leaves no residue and is compatible with many metals including most types of steel, galvanized steel, brass, copper, magnesium, nickel, tin plate, titanium, zinc and more and is safe for use on some plastics. Ideally used for general purpose degreasing when chlorinateds can't be used and flammability can't be tolerated. Available in bulk.

### K-CHEM CARC PAINT STRIPPER II

#### Zero-HAPS & Strips CARC White, Green, & Camouflage Paints

For best results heat up to 145 degrees Fahrenheit and stripping should occur within 15-20 minutes. If not heating, stripping may occur within 2 hours. In bulk only.

### KONTACT KLEANER II

#### Non-Chlorinated, Non-Flammable, No CFCs, Low % VOCs, Non-Hazard, Safe on Most Plastics

Contact and circuit board cleaner, high dielectric formula developed to quickly remove oil, grease, flux and other contaminants from delicate electronic circuitry. Dissolves residue and safely

flushes away particulate matter. Developed for radio, TV, aeronautical and communications industries. In aerosol and bulk.

### KONTACT KLEANER IV

#### High Purity, Non-Flammable, Non-Residue, Fast Dry, Completely Plastic Safe

Nonconductive to over 20 KV and will not cause "freeze out" or attract moisture. Easily removes dirt, dust, light oils, flux, and more from contacts, circuit boards, relays, switches, solder joints, and electronics devices. Aerosol.

### KONTACT KLEANER V

#### Nonflammable, Safe On Most Plastics, Dries Ultra Fast, Leaves No residue, 30,000-Volt Dielectric Strength, EPA SNAP Approved, VOC Exempt, No Harsh Fumes

Removes oil, grease, condensation, dust and other particulate matter, high purity spray on circuit boards, wire terminals, relays, switches, contacts, circuit breakers, tuners, potentiometers, cable ends & receptacles, control panels, motors & other electronics and electrical equipment. Safe on paint and rubber goods. In aerosol.

### KWIK DRY

#### Fast Dry Solvent, Non-Ozone Depleting

Chlorinated solvent, sister to Trichlor 1,1,1, however it is not ozone depleting. This is a quick dry of 30 seconds, excellent solvent degreasing, non-residue, dielectric strength, no flash point, non-flammable, not harmful to ozone. In aerosol only.

## MR. KWIK

### Rapid Drying, Powerful Flushing Action Solvent

EPA-accepted alternative chlorinated solvent. Ozone safe, non-flammable, no CFCs, no petroleum distillates. 36,200 volt dielectric strength, strong cleaning action, residue-free. In aerosol and bulk.

## RIGHT STUFF

### Delamomine Degreaser, Declogger, Deodorizer

Degreaser, declogger and deodorizer. 100% organic formulation representing a completely new approach in one step. Non-corrosive and contains no petroleum distillates, organic halides or alkalies. Multipurpose formulation will strip grease and heavy oil deposits from virtually any surface. Will emulsify instantly in water. In bulk only.

## SHOOT OUT SPOTTER

### Carpet & Upholstery Spotter

Shoot the spot out with inverted aerosol can. Effective on both water and soil stains. Contains odor neutralizers. In aerosol only.

## SOLV-KLEAN

### Fast-Dry Solvent, Non-Ozone Depleting

This is a chlorinated solvent, has no Trichlor 1,1,1. Non-ozone depleting, very fast drying, non-residue, non-flammable, no flash point. In bulk.

## VORTEX

### Non-chlorinated Degreaser

An organic, semi-aqueous solvent. A blend of natural ingredients, 100% organic formulation representing a completely new approach in one-step degreasing. It is non-corrosive and contains no petroleum distillates or alkalies. This is also an aircraft body degreaser. In bulk only.

## METAL PARTS PROTECTOR

### Metal Parts Protector

Provides a semi-hard, dirt-resistant, long-term corrosion preventive coating which will not crack with expansion, contraction or flexing. Gives prolonged metal parts and machinery protection against atmospheric conditions. In aerosol only.

## RUST EXTERMINATOR Aerosol

### RUST GUARD Bulk

#### Kills Rust

Neutralizes rust and converts rust to a tough black resistant coating. Long-term coating that seals, protects, prolongs life of metal. Serves also as surface primer prior to painting. Aerosol and bulk.

## WELDERS ANTI SPATTER

### End Welder's Spatter

Prevents spatter buildup on welded parts, gun nozzles, and contact tips. In aerosol only.

## ZINC GALVANIZE

### Instant Cold Zinc Galvanize

A hard zinc coating that bonds to metal surfaces to prevent corrosion and stop rust creeping. Aerosol only.

## COATINGS

## ADHESIVE SPRAY

### Non-stringy

Clear, non-staining, light duty adhesive for temporary or permanent bonding. Adheres to any surface. In aerosol only.

## BLOCKADE

### Anti-Graffiti Coating , Water Sealant

This is a multi-surface water sealant, stain repellent, anti-graffiti coating, and gives durable long lasting protection. It prevents water damage, resists mildew stains, and inhibits graffiti adhesion to surfaces. Works on wood, brick, concrete, stucco, and painted surfaces. Available in bulk.

## EPOXI-PATCH TUBE KIT

### Bonding Applications Clear and White

Used in industries, transportation, electronics. Bonding dissimilar substrates where welding and other assembly methods won't work. Improving strength and fatigue resistance, uniform stress distribution. Meets specialized needs such as low viscosity, high temperature and non-sag. Used in electronics applications such as wire staking, bonding components, strain gauges, fiber optics and potting. Also industrial applications such as magnets, hand tools, pipe joints, sensors and sealing.

## PENETRATING LUBRICANTS

## LUBRICATOR

### Multipurpose Lubricating Fluid With Superior Lubricity

Also penetrates and loosens rusted parts. Has premium corrosion inhibitors and protects parts from moisture and oxygen. Aerosol and bulk.

## N. F. PENETRANT

### All Purpose Mechanic's Spray

A non-flammable spray that makes any repair job easier. Loosens frozen and rusted parts of locks and hinges, provides lubrication and corrosion protection. Displaces water in wet electrical systems. In aerosol only.

## NUT BUSTER

### Rust Penetrating Oil, Non-Flammable

Fast-acting penetrating formula for loosening rusted parts and freeing nuts and bolts. Leaves a residual lubricant. Assists in cleaning rusted parts. In aerosol only.

## **PENETRANT GEL LUBRICANT**

### **Three-In-One**

Multipurpose penetrating lubricant spray, water clear, fast setup, and leaves behind a viscous, tacky lubricant resistant to throw off. Used as corrosion barrier, used on hinges, chains, sprockets, gears, etc. Aerosol.

## **RUST BREAK'R**

### **Liquifies Rust Instantly**

Fast and highly-efficacious penetrating lubricant. Frees bolts, nuts, fittings and other parts frozen by rust or corrosion. Non-flammable, cleans spark plugs, engine heads, automatic choke, marine parts, etc. Excellent on saltwater corrosion. Aerosol and bulk.

## **GREASES**

## **GREASE-GUN-IN-A-CAN**

### **Red Grease Spray**

Sprays thin penetrating liquid that converts to a tack-free grease within 5 minutes. Impervious to salt and moisture, stable at 400°F and -40. Lubricates & prevents rust. Will not rub or wear off. USDA.

## **LITHIUM E.P. GREASE**

### **Multi-Purpose Lithium Sterate Extreme Pressure Grease**

Fortified with corrosion inhibitors, anti-wear agents and extreme pressure additives. Dropping point is 300°F, and timken load 40, NLGI Grade 2. In cartridges and bulk.

## **MOLY GREASE**

### **Heavy Duty High Temperature Lubricant With Molybdenum**

Reduces friction and protects against excessive wear from extreme loads, timken load of 65, last longer because Moly "plates out". Fortified with tackifiers, corrosion and oxidation inhibitors. Available in tube or bulk.

## **PL-10 POWER-LIFT GREASE**

### **Maximum Protection Against Wear and Extreme Pressure**

This grease adheres to metal providing top performance in roll stability. Provides constant and maximum lubrication. Offers the maximum in friction reduction and resists water washout. Noncorrosive, has maximum film strength. It is lithium complex and exceeds all other lithium grease due to addition of extreme-pressure and antifricition lubricants.

## **SLIP SHOT II**

### **Red Grease Spray**

This multipurpose lubricant sprays as a thin, penetrating red liquid and quickly sets up to a thick grease capable of clinging to vertical surfaces. This grease withstands heat to 500°F with excellent adhesive, cohesive, extreme pressure, and cushioning properties. It lubricates, prevents oxidation and rust. Contains no chlorinated solvents or ozone depleters. Aerosol.

## **SUPER IMPACT GREASE**

### **Super Impact Grease**

Grease is fortified with special additives enabling it to withstand the heavy impact and pounding pressure common to heavy equipment. Anti-spat-ter capability and a non-melt grease with superior water resistance. In cartridges and bulk.

## **WHITE LITHIUM GREASE**

### **White Lithium Grease**

Clear, all-weather, long-lasting, water-resistant grease. Penetrates into parts before thickening to a grease. Resists temperatures up to 350°. In aerosol only.

## **SPECIALTY LUBRICANTS**

## **ANTI SEIZE LUBRICANT**

### **Anti-Seize and Sealing Compound**

Seals, lubricates and protects all threaded parts and metal mating surfaces from heat, corrosion, galling, fusion, pitting and seizure up to 2000°F. (1090°C) Seals gaskets, and prevents sticking for ease of removal and simpler maintenance. Seez X conforms to military specifications Mil-A-907D. In aerosol only, and brush tap.

## **CUTTING FLUID**

### **Heavy Duty Concentrated Cutting Oil**

This solution is fortified with active sulfur and an extreme pressure additive for all types of machine shop uses. This coolant/lubricant increases production, protects cutting tools, gives excellent cooling, has rust protection and low foaming. Will not cause freezing of chucks and callets. In aerosol.

## **DRY MOLY**

### **Dry Moly Lube**

A quick-drying lubricating film with superior anti-friction, anti-seizing properties suitable for high pressure and high temperatures. Excellent for dirty environments where oil or grease is not suitable. In aerosol only.

## **DRY SILICONE**

### **Silicone Lube**

Non-toxic, clean lubricant that makes everything slide and glide easier. For doors, windows, drawers, etc. Waterproofs ignition systems, spark plugs, insulation and distributors. A must for every industry or shop. In aerosol only.

## **GEAR & CHAIN LUBRICANT**

### **Open Gear Lubricant**

A unique lubricant that acts to recoat each gear tooth with each revolution. Maintains quiet running gears over long periods even in wet conditions. Excellent for stamping presses, shears, punches, forming rolls, etc. Excellent on elevator and drag cable. High melting point. Won't wash off. In aerosol only.

## **SYNTHETIC COOLANT**

### **Low Foam Cutting Coolant**

Fantastic coolant for machining, cutting, grinding, milling, drilling, turning, reaming, boring, tapping, sawing, hobbing, threading, etc. Also safe on leaded steel, navy brass, carbon steel, stainless steel, vanadium, chrome-molybdenum, iconel, etc. Non-irritating to the skin and non-flammable. In aerosol and bulk.

## **AUTOMOTIVE & FLEET MAINTENANCE**

### **ARMOUR PLATE**

#### **Protective Coating**

A protective coating containing wax, silicone and detergent. Cleans stains, dirt, surface wear and polishes to high-gloss protective film on vinyl, plastic, rubber, wood, metals, leatherette. Use on tires, vinyl tops, seats, luggage, jackets, furniture and more. In bulk and aerosol.

### **BATTERY PROTECTOR**

#### **Battery Terminal Sealer**

Gives long-lasting protection for battery terminals, cables, carriers and hold downs. In aerosol only.

### **BATTERY TERMINAL CLEANER**

#### **Battery Terminal Cleaner**

Cleans build-up around terminals, eliminates corrosion residues and provides a protective film. Has color code indicator. In aerosol only.

### **BELT DRESSING**

#### **Belt Dressing**

Stops slipping, adds power, eases strain on bearings and bushings. Stops squealing and extends life of power transfer belts. Excellent on leather, rubber, canvas, fabric, V, flat and round belts. In aerosol only.

### **CFD5 DIESEL FUEL STABILIZER**

#### **With Cetane and Flow Improver**

Modifies the fuel's wax crystals to prevent low temperature flow and filter plugging problems. A diesel ignition improver, resulting in easier starts and better operation. Anti-oxidant improves stability and quality of fuel during storage. Gum dispersement keeps injectors and internal parts clean. Moisture displacing corrosion inhibitor. Mix one gallon of CFD5 with up to 1000 gallons of diesel fuel in storage. EPA registered.

### **CHOKER & CARBURETOR CLEANER**

#### **Odorless Choke and Carburetor Cleaner**

Frees and cleans carburetor parts including valves, linkages, thermostatic coils, accelerator parts. Cools automatic chokes for adjustment. Slashes through carbon, grease, lead, varnish, and baked-on grime in minutes. In aerosol or bulk.

### **HEAVY DUTY INDUSTRIAL FOAM CLEANER**

#### **Cleans Plastics, Vinyl, Rubber, Leather, Glass**

Cleans, shines, leaves no film, non-yellowing. Odorless, colorless, non-flammable. Used for waterproof, block out ultra-violet rays, protect from dirt, acid vapors, oxygen, restores color. To use on vinyl, underwater equipment, tires, luggage, cameras, airplanes, boats, plastic. Aerosol.

### **ICE-MELT**

#### **Ice And Snow Remover**

No acid, alkalis or salts, will not harm grass or sidewalks. Melts ice and inhibits its reformation. Available in granular and liquid.

### **K-CHEM 500**

#### **Heavy Duty Steam Cleaner, Degreaser and Truck Wash**

Easy-to-use product that won't clog steam lines or jets. Safe on paint, aluminum and steel. Use indoors or out — no caustic odors. Excellent degreaser, excellent for use in scrubbing machines in cleaning warehouse floors and loading docks in food plants. In bulk only.

### **K-CHEM KAR WASH**

#### **Liquid Vehicle Wash**

No more spotting, streaks or dull finishes. A car wash that does the job. Whips off bugs, tar, mud and dirt. Leaves a gorgeous finish, fast! In bulk only.

### **K-CHEM TRUCK WASH**

#### **Vehicle Wash & Automatic Machine Wash For Trucks and Cars**

Just two ounces of this fantastic product to a gallon of water will whisk away the dirt and road film, and leave vehicles beautiful, all in just one labor saving step. Available with wax. Excellent in hand-cleaning and automatic vehicle wash. In bulk only.

### **KONCENTRATED WINDSHIELD WASHER FLUID**

#### **Winter Formula Dilutes 30:1 With Water To Make Ready-To-Use**

Has excellent cleaner to remover bugs, road-film, oils, and ice while minimizing streaking and hazing. Non-freezing down to minus 20 degrees. In bulk.

### **PAINT, GASKET & DECAL REMOVER**

#### **3-In-1 Product**

Fast acting, easy to use stripper that strips paint, gaskets, decals and varnish, adhesive and contact cement. On gaskets it removes fiber compound, silicone and most rubber materials. Has a thick clinging gel. Aerosol and bulk.

### **SHINE ALL**

#### **Oil Free Vinyl Finish**

This blend of water-soluble silicones is nonflammable and leaves a highly visible shine and does not attract dust. To use on vehicles on dash, doors, seats, mats, bumper, and tires. In bulk.

### **SWEEPING COMPOUND**

#### **For Floor Maintenance**

Oil based with sand for most floors and without sand for hard wood floors. Available in 50, 100, and 300 pound containers.

### **WET LOOK**

#### **Tire Dressing**

This blend of silicones leaves a highly visible wet look that lasts for an exceptionally long time. Apply with brush, rag, or sprayer. It can be left as is or can be wiped down. In bulk.

## HAND CARE

### CITRA-SCRUB

#### With Scrubbers

An industrial waterless hand cleaner with natural citrus and limonene and volcanic pumice. An essential product for mechanics, painters, machinists, etc. In cans and tubes plus gallons.

### KLEAN HANDS

#### Waterless Hand Cleaner With Pumice

Fortified with citrus turpenes for cleaning dirtiest of hands. Removes dirt, grease, ink and paint. Leaves hands spotlessly clean and feeling soft and velvety smooth. Contains glycerine. In bulk.

### SBS 40

#### Medicated Skin Cream

Alleviates skin rashes, irritation, itching and chapping. Stimulates healthy tissue formation after nicks, cuts or abrasions. Fights bacteria and infection.

### SCRUBS IN A BUCKET •

#### One-Step Cleaning System

**PREMOISTENED WIPES •** Available as Glass Cleaner, Furniture Polish, Stainless Steel Cleaner & Polish, Multipurpose Metal Polish, Hand Sanitizer, All Purpose Cleaner, HD Carpet Stain Remover, Goodbye Graffiti, Surface Disinfectant & Deodorant, Armour Plate, and Wipe Intro Pack of One of Each. No rinsing, no drying, no residue, fast easy effective hand and surface cleaner and polishing with portability.

### SKIN SHIELD — BARRIER CREAM

#### Protective Barrier

A protective hand cream to prevent irritation from oils, solvents, paints. A barrier that lets skin breathe, also makes hands easier to clean. In aerosol only.

### SOCK-IT

#### Rough Touch Hand Cleaner

Thick liquid with pumice and lotionized with gentle skin conditioners. Dissolves soils, dirt, grease, inks, carbon, tar, varnish from hands and arms with or without water. Also available in an ORANGE LIQUID ROUGH TOUCH. Available in gallons and bulk.

### ROUGH TOUCH & SOFT TOUCH

#### Green Pumice Paste and Off-White Cream

A conditioning waterless hand cleaner. A highly effective hand cleaner with new emollients that actually restores softness to hands in contact with harsh and abrasive chemicals. In cans and tubes.

## TOP TO BOTTOM

### Protein Body Shampoo and Concentrated Hand Cleaner

Premium, dual-purpose, cleans skin and hair, rinses easily, mild and non-irritating.

## TOUGH TOUCH

### Hand and Body Cleaner

A pleasant-smelling liquid that is strong enough for the dirtiest, grimeiest hands, yet gentle enough for the most tender faces. We provide the dispensers for use with this product. In bulk only.

## BUILDING MAINTENANCE

## ANTI-CLOG

### Air Conditioning-Refrigeration Drain Pan Maintenance

Controls slime build-up and drain overflows. Controls growth of bacteria, including Legionnaire's Disease. Controls musty odors. Has 50% active biocide. Kills 99% Legionnaire's Disease bacteria. EPA registered, helps protect pan against corrosion, has 3-month service life in all climates. Sealed to prevent skin contact with biocide. Meters biocide for consistent release. Weighted so it will not float, therefore not clogging drain hole. Available 24/case, 48/case, gross, also in 5 ton, 15 ton.

## BOILER TREATMENT BWT-101

### "One Drum" Product for Steam Boiler Treatment

USDA Authorized. Has polymeric dispersants, organic scale control additives, oxygen scavenger, alkalinity builders, corrosion inhibitors, sequestering agents and softeners for steam boilers up to 150 psi.

## COIL-BRITE

### Acid Soil Cleaner

An acid coil cleaner. A blend of acid detergents for cleaning and brightening aluminum condenser coils, fins and other parts. In bulk only.

## CON CURE

### Cures & Seals Concrete

#### Floors

Seal, cure and harden new or seasoned concrete or terrazzo with Con Cure. It fills the pores of the concrete giving it a shiny surface and marvelous protection against oil, dirt and grease. In bulk only.

## HALT

### Alkaline Drain Opener

Nonfuming alkaline-based drain opener ideal for use when acids are not desired. Low odor formula does not boil up, backflash, harm pipes or septic tanks. It quickly saponifies grease and oil for easy removal in water. Excellent on most organic matter such as hair, paper, grease, etc., and works well to unclog or maintain drain lines. Available in quarts, 4/1 gal. case, 5 gal. can.

## HEAVY DUTY INDUSTRIAL FOAM CLEANER

### All-Purpose Cleaner and Degreaser

Powerful foam clings to surface allowing for easy clean-up of ceiling tiles, air duct vents, ceiling grids, machinery, meters, grills, racks, cabinets, walls and so much more.

**We also handle cleaning machines and equipment sales, service and maintenance!**

## JANITORIAL CLEANERS

### K-CHEM 500

#### All-Purpose Cleaner and Degreaser

Rapidly removes dirt, grease, wax, grime, gum, ink, carbon, oil, lipstick from wide variety of surfaces. Can be used as floor cleaner, engine degreaser; cleans machines, walls, soap scum, showers and much more.

### LIQUIDATE

#### Liquid Drain Opener

Powerful formula that is heavily concentrated to open clogged drains extra fast. Dissolves hair, grease, bone, cloth, etc.! In 12 quart cases only.

### OVEN & GRILL CLEANER

#### Oven cleaner

A superior formula that clings to oven walls, dissolving baked-on grease and oil. In aerosol and bulk.

### RED HOT

#### Granular Sewer Solvent

Opens clogged sewers, drains and traps with super penetrating action. In 60-pound containers.

### SUPER-BLACK

#### Low Volatile RTV Silicone Gasket Maker

100% silicone rubber, permanently flexible, -60°F to 450°F, exceeds OEM volatility specs, won't foul engine sensors. To use as sealing tube housings, exhaust manifolds and oxygen sensors, oilpans, pumps, thermostat housing, electrical control boxes and much more. Available in 8 oz. cans.

### SUPER-BLUE

#### RTV Silicone Gasket Maker

100% silicone rubber, permanently flexible, -60°F to 450°F, instantly forms any size or shape of gasket for oil pans, pumps, valves, axle covers, timing gear and much more. Available in 8 oz. cans.

### SUPER-CLEAR

#### RTV Silicone Caulk & Sealant

100% silicone rubber, permanently flexible, -60°F to 450°F, insulates electrical components, seals and bonds and caulks joints in sheet metal stacks, appliance parts, windows, doors and much more. Available in 8 oz. cans with self-application, never dries in can, no waste.

### SUPER-RED

#### High-Temp RTV Silicone Gasket Maker

100% silicone rubber, permanently flexible, -60°F to 600°F, instantly forms any size or shape gasket. To use on oil pans, pumps, transmission pans, compressors, cam shaft covers, gear covers and much more. Available in 8 oz. cans.

### SUPER-WHITE

#### Mildew-Resistant Silicone Sealant

100% silicone rubber, permanently flexible, used for sealing showers, tubs, sinks, waterproofing, bonding and much more. Available in 8 oz. cans with self-application, never dries in can, no waste.

### SURVIVORS

#### Bacterial Waste Digestion 3rd Generation

Liquid alive bacteria that safely maintains grease traps, septic tanks, drain lines, etc. It is chemical, bleach, alkali, disinfectant, chlorine and heat resistant. It is a mal-odor eater and has a wonderful fragrance. In bulk.

### AMMONIATED GLASS KLEANER

#### A Ready To Use Economical Cleaner

Designed for cleaning all types of glass and glassware without streaking. This product is also safe to use on any type of tile, chrome, vinyl, plastic or stainless steel surface. Available in quarts and gallons.

### BLU-LITE

#### Bowl & Metal Cleaner

RTU germicidal, phosphoric acid-type bowl cleaner. Dissolves lime, magnesium, scales, iron and rust stains. Cherry fragrance and sudsy.

### CANCEL

#### Water-Soluble Malodor Counteractant

Concentrated long-lasting malodor counteractant with Alpine fragrance. Lasts long without overbearing cover-up or masking perfume. USDA approved.

### CLEARINSE

#### Foaming Cleaner/Degreaser

Powerful high foam cleaner/degreaser designed especially to remove heavy accumulations of grease, blood, fats and marrow, USDA category "A1."

### DEEP LUSTER

#### Wax Based Polish for Furniture, Paneling, Office Machines, Telephones and Cabinets

Contains a combination of waxes to impart a tough, protective finish. Silicones are added to impart a high gloss to all non-porous surfaces. Formulated with special solvents and cleaning agents to aid in removal of most oil and water soluble stains. Will clean and protect furniture, woodwork, cabinets, Formica, counter tops, appliances, metal, ceramic wall tile, leather, etc. Available in quarts and gallons.

### DEODORANT PLUS

#### Regular and Metered Dry Air Fragrances

Odor neutralizers, non-staining air and fabric deodorizers. Can be sprayed when held in any position. Contains a chemical neutralizing agent as well as a fresh fragrance. #### **Treated, Chemically Inert Polypropylene**

“Dimples” bond the layers together, prevents drippy mess. Absorbs most liquids. Won’t shed, use around machines, tool boxes and spill trays.

WE CARRY A FULL LINE OF OIL-DRI PRODUCTS AND MORE. ASK YOUR SALESPERSON.

## FLOOR CARE AND CARPET CARE

### ACCOLADE

#### Urethane-Fortified Sealer/Finish

Combines the protection of a sealer with ease of application and durability and luster of a finish. To be used on non-resilient flooring, including terrazo, marble, quarry tile, brick and more.

### CANCEL

#### Water-Soluble Malodor Counteractant

Concentrated long-lasting malodor counteractant with Alpine fragrance. Lasts long without overbearing cover-up or masking perfume. Dilute 4 oz. to gallon of water, mist spray on carpet to eliminate odors.

### ANSWER MULTI-USE CARPET CLEANER

#### Four Products In One

Dilutes 2 ounces to 1 gallon of water. Spray on carpet as pre-soak. Spray on carpet with bonette or scrubbing method of cleaning. Use in soil extraction machine. Powerful solvent quickly removes tough embedded soils and leaves carpet with no sticky residue.

### EXCEL

#### Urthane-Fortified Floor Finish

An "all systems" finish that is both ultra-high-speed burnishable, as well as spray buffable. Bright drying. Provides the "wet look" and outstanding durability. Low maintenance, endures high traffic, can be buffed monthly.

### NOVA X

#### Extraordinary UHS Star-Shine

Has highest initial gloss with highest burnished gloss. To be used in high traffic areas such as grocery stores and burnished daily or weekly. Has 94% gloss reflection. Colorless with film clarity and depth. Hard finish and scratch resistant yet repairable as a soft finish. Need sunglasses.

### OFFENSE

#### Fast Acting, Extra Strength, Non-Rinse Stripper

Quickly penetrates and dissolves multiple layers of floor finish buildup for easy removal. Low foam, thus fast pick-up and no rinse. High dilution ratio and odorless.

### SHOOT OUT SPOTTER

#### Carpet & Upholstery Spotter

Shoot the spot out with inverted aerosol can. Effective on both water and soil stains. Contains odor neutralizers. In aerosol only.

### UHS COMBO

#### Deep Cleans, Revitalizes, Enhances Finish Gloss

Neutral detergent with built-in restorer. Extends the life of floor finish between stripping and recoating cycles. One ounce to one gallon of water. Pleasant gentle citrus fragrance.

WE CARRY A COMPLETE LINE OF FRANKLIN PRODUCTS AS WELL AS FULLER & BRILLO. ASK YOUR SALES PERSON FOR MORE INFORMATION.

## LIGHTNING BLEND SYSTEM

ASK YOUR SALES PERSON FOR MORE INFORMATION.

## GREEN Products Environmentally Preferable

### **CARPET KLEANER**

#### **Extraction/Bonnet and Pre-Spotter**

Has anti-resoiling properties, fresh scent, and optical brighteners, very effective on all types of carpets.

### **FREE**

#### **Low Odor Finish Remover**

Aggressive low odor non-ammoniated wax stripper. Has no phosphates no butyl, no caustic. For hospitals and areas where odor is a concern.

### **GREEN**

#### **Restroom Cleaner and Deodorant**

Excellent descaling properties, Lactic acid for safer product with same results as aggressive acids, Tea Tree Oil for deodorant, non irritating fumes or mist.

### **HAND WASH**

#### **Grapefruit High Foaming**

Gentle detergent enriched with moisturizers. Leaves hair and skin clean, soft, refreshed.

### **H<sub>2</sub>O<sub>2</sub> MULTI-PURPOSE**

#### **Cleaner/Degreaser, Stain Remover**

Synergistic blend of biodegradable surfactant system, stabilized hydrogen peroxide and citrus terpenes to quickly remove oily greasy soils and stains and neutralizes odors.

### **KLEAR GLASS**

#### **Streak free concentrate**

Dilutes 1:20, safe on tile, chrome, vinyl, plastic, and stainless steel.

### **KLEENALL**

#### **Neutral Cleaner**

For use on all surfaces, excellent for maintenance of finished floors, can be used in automatic scrubbers.

### **NEUTRAL FRESH**

#### **Cleaner, Deodorizer, Disinfectant**

Fungicide, Virucide, Mildewstat, neutral pH, hospital-grade, dilutes 1:64, effective against HIV-1, HIV-2, MRSA, VRE, VISA, Hepatitis B and C.

### **SUPER-K**

#### **Non-butyl Degreaser Concentrate**

Deodorizes and removes soils, greases from all surfaces. Contains no phosphates, soaps, butyl, no solvents, zero VOC, non-corrosive. Fast de-emulsification of oils. Can be used in automatic scrubbers.

### **ULTRA BRIGHT**

#### **Floor Finish**

Latest metal-free technology. Hard acrylic with very high gloss, good durability. To be used with low-speed, mop/recoat, or high speed equipment.

## GREEN Chemical Dilution and Dispensing System

### **DAILY FLOOR CLEANER**

**Low Ratio 1:32** for quart fills

**High Ratio 1:256** for mop buckets

Lemon scented neutral cleaner for all surfaces. Removes oils, greases, and other soils. Ideal for maintenance of finished floors.

### **DISINFECT RESTROOM CLEANER**

**Low Ratio 1:64** for quart fills

**High Ratio 1:64** for mop buckets
