

TECHNICAL DATA SHEET

Product Name: Misty Multi-Metal Polish (Wipe)

Item Number: CL77CS

Description: This unique polish is the ideal every day metal product for the maintenance professional. Combining a gentle but effective formula with the convenience of an abrasive pre-moistened wipe now makes metal maintenance easier than ever. No need for separate brass, silver, or copper products – it's all here in one package. Simply pull a sheet and go to work. The advanced formula removes deposits and oxidation without harsh ammonia or solvent aromas. The low odor formula actually has a pleasant fragrance make it easy to work with. In addition to a superior formula, this product utilizes a unique wipe material to make the most of your hard work. Abrasive on one side and soft on the other, you will find this wipe to be your choice for keeping your metal shining bright.

Directions For Dispensing: For first use, hold upright and remove entire closure to expose towels inside. Unsnap closure cap and pull edge of wipe in the center of the roll and press up through the "X" opening until an inch has cleared and replace cap and closure. For subsequent use, unsnap closure cap and pull wipes at a 90° angle from the container to facilitate separation. Snap the closure cap firmly to seal and protect wipes when not in use. Be sure wipe edge is clear of closure cap edge for maximum seal and longest shelf life.

Directions: Pull wipe from container and dampen area to be polished. Scrub desired surface with abrasive side using a circular motion until oxidation and deposits begin to break up. Use soft side to remove the polish and deposits. Use a fresh, soft cloth and polish until bright. Repeat as necessary. Discard used wipes appropriately (Do not flush). Reseal closure cap until it snaps and store at room temperature if possible when not in use. Use gloves or wash with soap and water after use. **IMPORTANT:** Users with skin sensitivity are advised to wear gloves when using this product.

WARNING: Do not ingest. If this should occur, drink large volumes of water and seek medical attention. Avoid contact with eyes and skin. If eye or skin contact occurs, flush with water. If irritation persists, consult a physician. Avoid storage of product in freezing temperatures. Keep container sealed when not in use to prevent contamination. KEEP OUT OF REACH OF CHILDREN.

Container Disposal: Triple rinse container and discard according to local regulations.

Precautions To Be Taken In Handling & Storage: Store in original shipping containers, under cover and in ambient temperatures, not exceeding 113°F. Do not store in direct heat or sunlight. Avoid storage in freezing temperatures. Keep closed when not in use. Shelf life is at least 18 months. Do not store in extreme temperatures.

Spill Or Leakage Procedures: Absorb spilled liquid into absorbent media. Dispose of in accordance with all local, state and federal regulation.
