**Product Name:** Kontakt Kleaner V  
**Item Number:** SO01A

**Description:** This premium precision cleaner provides a solution for your most demanding industrial and electronics maintenance problems. The completely non-flammable formula utilizes the latest innovations in HCFC, HFC, and HFE chemistry to create a high purity, non-residue, ultra fast dry formula that is safe on most plastics. (Neoprene W., Buna N, Buna S, Silicone Rubber, Butyl, Natural Rubber, Nylon, Hypalon, PVC, PTFE, Polyurethane, Polystyrene, Polypropylene, Polyethylene, Epoxy and ABS.) In addition, it is non-conductive to over 3,000 volt dielectric strength per ASTM D-877 and will not cause "freeze out" or attract moisture when used as directed. It quickly and easily removes dirt, dust, light oils, flux, and other deposits from contacts, circuit boards, relays, switches, solder joints, and other electronic devices. An excellent choice for the maintenance of all electronic or electrical devices in industry.

**Benefits:** Kontakt Kleaner V is EPA SNAP Approved and VOC Exempt and non-corrosive. It is a high purity contact and circuit board cleaner especially formulated for removing oil, grease, condensation, dust and other particulate matter from sensitive electronic parts.

**Where to Use:** To be used on circuit boards, wire terminals, relays, switches, contacts, circuit breakers, tuners, potentiometers, cable ends and receptacles, control panels, motors and other electronic and electrical equipment.

**Health Hazard Data:** Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperature above 120°F. KEEP OUT OF REACH OF CHILDREN.

**Spill or Leakage Procedures:** Extinguish ignition or combustion sources. Keep up wind of spill/ Stop leak. Aerosol cans when vented to atmospheric pressure through normal use, pose no disposal hazard.

**Product Specifications:** Wt./16oz Can: 10 ounces

Classification: Aerosol Contact & Circuit Board Cleaner
General Appearance: Clear Mist Spray
Color: Colorless
Odor: Faint Ether-Like Odor
pH: N/A
Vapor Pressure at 70°F: 45
Spray Pattern: Forceful Mist
Flammability: Non-flammable per CPSC Flame Projection test
Total VOC: 0%

**CAS NUMBERS:**

3,3-Dichloro, 1,1,1,2,2-pentafluoropropane (20-40%)	422-56-0
1,3-Dichloro, 1,1,2,2,3-pentafluoropropane (20-40%)	507-55-1
1,1,1,2- Tetrafluoroethane	811-97-2

**HMIS RATING:** Health-2; Flammability-0; Reactivity-1; Person Protection-B
